No report. The Park District has not found a new director yet.

PEEP (Parties, Events, Entertainment, Programs)-Debbie Stevens

On April 30th the Outdoor Adventures Kick Off was held at the Licking Park District. Several members were in attendance. A booth was set up with handouts (coloring sheets) for the kids. Beth Webb brought her corral and 2 horses (1 was a mini). Thanks to Beth this was wonderful. Activity for the kids was the saddle racks with saddles with a rope. The kids had fun setting on the saddles, parents took pictures, and some kids pretended to rope a steer. Next year we will have hay bales, with steer heads for them to practice their roping skills on.

Utica Parade event was discussed. Members who were going to parade, cancelled on day of the event. Mark and Debbie showed up, but no other members came. They had a picnic instead. We need to bring to committee next year about doing something else next year instead of the parade. Possible suggestions were a hayride at the Granville 4th of July parade. The Utica parade has been getting smaller each year. They only had 68 entries.

Show-Diana Wheatley

The next fun show is July 29. We will need workers for this event. Debbie Stevens passed around sign up sheet. She will be making calls to members for workers. The arena fence needs cleaned, and check to see what else needs done before the show. Mark Stevens will call Tami McAdams to see if we can use their power washer to clean fence. If a work day is needed, it will be posted on website. Tables will be needed to display silent auction items.

Trail Maintenance-Craig Santee

We are waiting on a date from the park to do the culvert & rerouting at Taft. The park wants us to do this during the week.

Dillon-trees are down. Some reports of mowing needed, but not enough man power to do mowing.
